"Art. 4614. Wife's separate property. (a) All property of the wife, both real and personal, owned or claimed by her before marriage, and that acquired afterward by gift, devise, or descent, as also the increase of all lands thus acquired, is the separate property of the wife.

(b) The wife shall, if she be 21 years of age or over, have the sole management, control and disposition of her separate property, both real and personal; and in connection therewith, she may, in her own name, contract and be contracted with, sue and be sued, without the joinder of her husband, and her coverture shall not be a defense in any suit or action based on such contracts. Such of her separate property as is not exempt under the laws of Texas in such case be subject to forced sale for the payment of her debts. The community property of the husband and wife, with the exception of the wife's personal earnings and the revenue from her separate property, shall never be subject to the payment of debts contracted by the wife except for those contracted for necessities furnished herself and children.

(c) If the wife is under 21 years of age, the joinder of the husband shall be necessary to the encumbrance

or conveyance by the wife of her lands."

Sec. 2. All laws and parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of such conflict only.

'Section 1. (a) Any District Attorney in the State of Texas in a judicial district containing two (2) or more counties is authorized to employ a stenographer or clerk who may receive a salary not to exceed Three Thousand Dollars (\$3,000) per annum, to be fixed by the District Attorney and approved by the combined majority of the Commissioners Courts of the counties composing his judicial district. The salary of such stenographer or clerk provided for in this Act shall be paid monthly by the Commissioners Court of each county composing the judicial district, pro-

rated apportionately to the population of the county.

(b) The Commissioners Court in each county of each judicial district affected by this Act may enter an order so as to increase the compensation being paid by the county to such stenographer in an amount not to exceed thirty-five percent (35%) of the sum being paid at the effective date of this Act.

Sec. 2. The fact that the present maximum compensation of stenographers of District Attorneys is insufficient to maintain an adequate standard of living and the crowded condition of the calendar in both houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted."

(b) In all cases where the mental condition of a person is being considered and where such person may be committed to a mental institution, and where such person is deaf or a deaf mute, all of the court proceedings pertaining to him shall be interpreted by a qualified interpreter appointed by the court.

(c) In any case where an interpreter is required to be appointed by the court under this Act, the court shall not commence proceedings until the appointed interpreter is in court in a position not exceeding ten (10) feet from and in full view of the deaf person.

(d) The interpreter appointed under the terms of this Act shall be required to take an oath that he will make a true interpretation to the person accused or being examined, which person is deaf or a deaf mute, of all the proceedings of his case in a language that he understands; and that he will repeat said deaf or deaf mute person's answer to questions to counsel, court, or jury, in the English language, in his best skill and judgment.

(e) Interpreters appointed under the terms of this Act shall be paid for their services a sum to be determined by the court.

Sec. 2. The fact that deaf and deaf mute persons are now suffering great injustices because of their inability to communicate with the courts and understand court proceedings in which they are involved; and the fact that competent interpreters are not made available creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended; and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Statement Ordered Printed in Senate Journal

On motion of Senator Reagan and by unanimous consent the following statement was ordered printed in the Senate Journal:

Statement from the Governor's Office attached to, and sent into the Senate with the Governor's proposed substitute for H. B. 334 (the tax bill), offered by Senator Aikin as shown on Page 1278 of The Senate Journal for May 16, 1961.

**PROPOSED SUBSTITUTE FOR
H. B. 334**

This proposal would maintain the broad-based approach of the Senate substitute for H. B. 334 but specifically name the items or classes of items to be taxed, and provide greater administrative efficiency by:

1. Avoiding the many special exemptions and the nuisance and ex-

pense of paying and collecting a general retail sales tax on thousands of small items which are not large revenue producers.

2. Placing the collections under the present law, Chapter 20, of Title 122A, "Miscellaneous Excise Taxes," which was thoroughly rewritten by the 56th Legislature to cover excise and sales taxes, and other appropriate tax laws with which the people and the businesses of Texas are already familiar.

Amend the Senate Committee Substitute for H. B. 334 by striking Article I and substituting in lieu thereof the following Articles I through V, and renumbering the remaining Articles accordingly.

I. Amend Article 20.03, Chapter 20, Title 122A, "Miscellaneous Excise Taxes," to:

Annual Revenue

1. Levy a 2% excise tax on the retail sale, use, or rental of the following tangible personal property:

- a. Motor or power driven objects, and parts, including all types of vehicles, boats, appliances, machines, etc.; repealing the present 20.03 and the taxing section on Motor Vehicles in Chapter 6, Title 122A, but continuing the present collection procedure on Motor Vehicles \$ 32,100,000

Annual Revenue

- b. Building and construction materials 31,500,000
c. Utility services, domestic and commercial, based on consumer bills 31,500,000
d. Retail consumer sales of alcoholic beverages 17,000,000
e. All other items of tangible personal property selling, used or renting for \$10.00 or more, and not taxed under other provisions of Title 122A. (This would automatically exclude food, feed, fertilizer, medicine, and many of the specific exemptions of H. B. 727.) 26,200,000

NOTE: The only other exemptions contemplated above would be for (1) those items or persons exempt by Federal or State Constitutions, (2) component ingredients used in manufacturing, (3) farm machinery and parts used in planting, cultivating and harvesting, and (4) sales to interstate common carriers.

2. Amend "phonographs" definition in Article 20.01 (g) to include "juke boxes" (included in H. B. 334) 100,000
3. Amend "Air Conditioner" definition in Article 20.01 (i) to include central units (included in H. B. 334) 900,000
4. Amend Article 20.06½ to redefine present jewelry tax to coincide with the Federal definitions 3,400,000

II. Amend Chapter 23, Title 122A, "Hotel Occupancy Tax" to include restaurant meals (including any beverages served therewith) costing \$1.00 or more at same rate of 3% 9,000,000

III. Amend Chapter 16, Title 122A, Stock Transfer Tax, to increase sales tax on corporate stocks and bonds to 1%. (Justified because these are not paying ad valorem tax as required by present laws.) 8,000,000

IV. Increase natural gas production tax from 7% to 8%	7,500,000
V. Bookkeeping Amendment inadvertently omitted from H. B. 11, 1959. Passed by the House in H. B. 334	3,000,000 (one time)
Balance from Committee Substitute:	
(a) Now Article II, to be renumbered Article VI, continuing present Franchise tax rate (2 years)	10,500,000
(b) Now Article III, to be renumbered Article VII, fixing coin-operated vending machine license fees at \$10 per machine rather than \$5, \$30 and \$60	Negligible
(c) Now Article IV, to be renumbered Article VIII, increasing drivers' license fees by 50%	3,500,000
GRAND TOTAL	\$184,200,000
Gross Biennium Collections	\$368,400,000
Less Administrative Cost	(3,000,000)
Total Net for the Biennium	\$365,400,000

The following resolution was then introduced, read first time and referred to the committee indicated:

S. C. R. No. 74, Granting Central Power and Light Company permission to sue the State of Texas.

Whereas, Central Power and Light Company is a Texas corporation; and

Whereas, Central Power and Light Company paid to the State severance beneficiary taxes in the amount of \$527.19 for the month of November, 1960, said taxes being levied by Articles 22.01-22.09, House Bill 11, Acts 1959, 56th Leg. 3rd C. S., page 187, Ch. 1, which Act has been declared unconstitutional by the Austin Court of Civil Appeals, the Texas Supreme Court having refused writ of error, in the case styled Calvert v. Transcontinental Gas Pipeline Corporation, 341 S. W. 2d 680 (Tex. Civ. App.—Austin, 1960, error refused); and

Whereas, The Austin Court of Civil Appeals, the Texas Supreme Court having refused writ of error, has held that taxes paid under this Act were unlawfully extracted and that said Act was void and of no force or effect; and

Whereas, There is no provision in the laws of the State of Texas to determine accurately and definitely what

amount of taxes, if any, should be returned; and

Whereas, In order to determine definitely and accurately the same, it is the policy of this Legislature to let a court of competent jurisdiction pass upon the same; and

Whereas, It is the policy of the Legislature to give and grant to persons and corporations the right to litigate any valid claim against the State of Texas in a court of competent jurisdiction; now, therefore, be it

Resolved, By the Senate of Texas with the House of Representatives concurring, that Central Power and Light Company be and it is hereby granted permission to bring suit against the State of Texas in any court of competent jurisdiction in Travis County, Texas, to recover judgment against the State of Texas for all amounts of money heretofore illegally extracted and paid by Central Power and Light Company under said unconstitutional law and service of citation for the purposes herein granted may be served upon the State of Texas by serving the Attorney General, the State Treasurer and the Comptroller of Public Accounts; and be it further

Resolved, That such suit may be filed within two years from the effective date of this resolution; and be it further

Resolved, That is it understood that the purpose of this resolution is solely to grant permission to bring suit against the State of Texas and no admission of the liability on the part of the State or any fact is made by this resolution, and it is specifically provided that the facts upon which they seek to recover must be proved in court as in other civil cases; and be it further

Resolved, That no interest shall be paid to Central Power and Light Company in the event a final judgment is obtained by it for recovery of taxes paid under Articles 22.01-22.09, Acts 1959, 56th Leg. 3rd C. S.; provided if a final judgment is obtained by Central Power and Light Company, all increases in rates obtained on the basis of taxes paid under said Act shall be refunded in full to all those having paid such rate increases.

The facts stated above create an emergency and an imperative public necessity that the Constitutional Rule requiring resolutions to be read on three several days in each House be

suspended, and this resolution shall take effect from and after its passage.

The resolution was read and was referred to the Committee on Jurisprudence.

The Commissioners Court of Tarrant County may also provide such other and additional clerical assistance as may be required to properly carry on the business of said court at salaries to be fixed by the Commissioners Court.'

Sec. 2. The Presiding Officer (Senator Hardeman in the Chair) announced that the session for the Consideration of the Local and Uncontested Bills Calendar was concluded.

(President in the Chair.)

Report of Texas Commission on City and County Government

Senator Baker submitted the following report and by unanimous consent the report was ordered printed in the Senate Journal:

REPORT TO THE 57TH LEGISLATURE

The Texas Commission on City and County Governments was created by S. C. R. No. 18 of the 56th Legislature. The first organizational meeting held January 29, 1960, in Austin, Texas. Three subsequent public meetings were held in Austin, Houston, and Dallas to which local government officials were invited to present their thinking in regard to consolidation of governmental services. Many views presented to the Committee were quite divergent, but the range of thinking on the future of metropolitan governmental units was quite encouraging.

The Commission also prepared a questionnaire on metropolitan problems which was mailed to about 1,400 local officials throughout Texas. The necessity for careful tabulations of results (together with the slow, but finally almost complete returns) prevented preparation of this study for discussion, appraisal and recommendation. It should be said that many ideas for improvement of local services have been suggested, with some rather strong objections to doing anything.

Since the population explosion problem is not limited to the 21 standard metropolitan areas in Texas (with other areas approaching that classification) but exists throughout the Nation, and based on the experiences of this Committee as set out above, any recommendations for legislation at this time would be premature.

Therefore, your Texas Commission on City and County Governments respectfully reports back to the 57th Legislature as directed by S. C. R. No. 18 of the 56th Legislature with the recommendation that the Commission be continued by the 57th Legislature for another two years in order to complete the work begun by this Commission.

Respectfully submitted,

BEN ATWELL

Chairman

ROBERT W. BAKER,
Vice-Chairman
